## Volumes 111-115 (1996-2000)

- Abbot, George B.:** see **Sutocky 1996**
- Abbott, Sharon L.:** see **Backer 2000**
- Abram, Faye:** see **Cottler 1998**
- Acker, Caroline Jean:** The early years of the PHS Narcotic Hospital at Lexington, Kentucky, 1997;112:245-7 (PHS Chronicles)
- Acton, Kelly J., Steve Preston, Steve Rith-Najarian:** Clinical hypertension in Native Americans: a comparison of 1987 and 1992 rates from ambulatory care data, 1996;111(Suppl.):33-6 (Scientific Contribution)
- Adams, Christopher Freeman:** Healthy Communities and public policy: four success stories, 2000;115:212-15 (Practice Article)
- Adler, Amanda:** see **Schraer 1996**
- Ahluwalia, Harshohana K.:** Inappropriate photo, 1998;113:99 (Letter in response to cover photo Sept.-Oct. 1997)
- Aiciati, Marianne Haenlein and Karen Gians:** Using data to plan public health programs: experience from state cancer prevention and control programs, 1996;111:165-72 (Scientific Contribution)
- Alexander, Greg R. and Milton Kotelchuck:** Quantifying the adequacy of prenatal care: a comparison of indices, 1996;111:408-18 (Scientific Contribution)
- Allander, Erik:** Ethical review is needed for public health studies, 266 (Letter in response to Snider and Stroup 1997;112:29-32 and Mariner 1997;112:33-6)
- Alliance to End Childhood Lead Poisoning:** see **Ryan 2000**
- Altman, Donald S.:** see **Tang 1997**
- Aluli, Noa Emmet:** see **Curb 1996**
- Alvarado, Matilde and Mary C. Smolenski:** Community panel discussions: from research to community action, 1996;111(Suppl.):74-6 (Panel Discussions and Summary)
- American College of Preventive Medicine:** Position on the agreement between the state Attorneys General and the tobacco industry, 1997;112:474-6 (Viewpoint)
- Anderson, Chrys and Juanita F. Murphy:** Will elderly seasonal nomads need health services? 1996;111:55-6 (Scientific Contribution)
- Anderson, Henry A.:** see **Brown 1997**
- Anderson, Henry:** see **Morris 1997**
- Andrzejewski, Norm and Rosalinda T. Laguna:** Use of a customer satisfaction survey by health care regulators: a tool for total quality management, 1997;112:206-10 (Scientific Contribution)
- Angel, Ronald J. and Jacqueline L. Angel:** Physical comorbidity and medical care use in children with emotional problems, 1996;111:140-5 (Scientific Contribution)
- Annas, George J.:** Defining public health, 1997;112:528-9 (Book Review)
- Annegers, John F.:** see **Brosnan 1998**
- Anthony, Denise L.:** see **Broadhead 1998**
- Arcury, Thomas A., Sara A. Quandt, Colin K. Austin, John Preisser, and Luis F. Cabrera:** Implementation of EPA's Worker Protection Standard training for agricultural laborers: an evaluation using North Carolina data, 1999;114:459-68 (Practice Article; see also letter 1999;114:488-9)
- Armstrong, Mary Anne:** see **Klatsky 1996**
- Arnett, Jeffrey Jensen:** Winston's "No Additives" campaign: "Straight Up"? "No Bull"? 1999;114:522-7 (Research Article)
- Arntzen, Charles J.:** Edible vaccines, 1997;112:190-7 (Feature Article)
- Aronson, Diane D.:** Defining infertility, 2000;115:6 (Letter in response to Fidler and Bernstein 1999;114:494-511)
- Asal, Nabih R.:** see **Beebe 2000**
- Association of Schools of Public Health:** ASPH report, 1999;114:194-7; 288-90, 384-7, 480-3, 565-8
- Association of Schools of Public Health:** ASPH Report, 2000;115:102-4, 292-4, 388-90, 491-5, 581-4
- Atkinson, Elizabeth J.:** see **Melton 1996**
- Auinger, Peggy:** see **Lanphear 2000**
- Ault, Thomas A.:** see **Robinson 1996**
- Austin, Colin K.:** see **Arcury 1999**
- Bachmann, Laura:** see **Siegal 1998**
- Backer, Howard D., Janet C. Mohle-Boetani, S. Benson Werner, Sharon L. Abbott, Jeff Farrar, and Duc J. Vugia:** High incidence of extra-intestinal infections in a *Salmonella* Havana outbreak associated with alfalfa sprouts, 2000;115:339-45 (Research Article)
- Backer, Howard D.:** see **Rutherford 1999**
- Backus, Ann S.:** see **Clampa 1999**
- Baden, Karl:** From social drinking ... to public problems, 1999;114:236-41 (Photo Essay; see also letter 1999;114:488)
- Baer, George M.:** Defining the rabies problem, 1998;113:245-6 (Commentary)
- Baer, Hans A.:** see **Singer 1998**
- Baer, Katie:** see **Lezin 1998**
- Ball, Andrew L., Sujata Rana, and Karl L. Dehne:** HIV prevention among injecting drug users: responses in developing and transitional countries, 1998;113(Suppl.):170-81 (Practice Article)
- Bail, Judith:** see **Korn 1997**
- Bail, Leslie K.:** see **Lloyd-Puryear 1998**
- Balsam, Alan L., Elaine Ristinen, Jeanne Emond, and Sarah K. Emond:** Elder health programs in state health agencies, 1996;111:162-4 (Scientific Contribution)
- Banerji, Subroto, Amy L. Bellomy, Elena S.H. Yu, Stephen Waterman, Elizabeth A. Haas, and Kathleen E. Moser:** Tuberculosis in San Diego County: a border community perspective, 1996;111:431-6 (Scientific Contribution)
- Barber, Catherine W., Victoria V. Ozonoff, Maxine Schuster, Beth Hume, Heather McLaughlin, and Laurie Jannelli:** When bullets don't kill: a new surveillance system targets firearm injuries, 1996;111:482-93 (Feature Article)
- Barnes-Josiah, Debora:** see **Nelms 1997**
- Barnett, Elizabeth and Joel Halverson:** Disparities in premature coronary heart disease mortality by region and urbanicity among black and white adults ages 35-64, 1985-1995, 2000;115:52-64 (Research Article)
- Barnett, Steven and Peter Franks:** Deafness and mortality: analyses of linked data from the National Health Interview Survey and National Death Index, 1999;114:330-6 (Research Article; see also letter 1999;114:393)
- Barrett, Drue H.:** see **Zwerling 2000**
- Barry, M. Anita:** see **Cotterchio 1998**
- Basu, Kishalaya:** see **Nauenberg 1999**
- Battaglia, Michael P.:** see **Zell 2000**
- Battley, James F., Jr.:** Hearing impairment data, 1999;114:393 (Letter in response to Barnett and Franks 1999;114:330-6)
- Bauer, Ursula, Debra Berg, Melvin A. Kohn, Rebecca A. Meriwether, and Richard A. Nickle:** Acute effects of nitrogen dioxide after accidental release, 1998;113:62-70 (Scientific Contribution)
- Beck-Sague, Consuelo M. and Stephen A. Morse:** Prevention of prematurity in black and white, 1996;111:114-15 (Commentary)
- Beck-Sague, Consuelo M.:** see **Zaza 1997**
- Beebe, Laura A., Barbara R. Neas, and Nabih R. Asal:** The Health Agency Training program: continuing education courses in biostatistics and epidemiology, 2000;115:370-7 (Practice Article)
- Beilenson, Peter:** see **Brooner 1998**
- Bell, Beth P.:** see **Massoudi 1999**
- Bello, Damian:** see **Pan 1996**
- Bellomy, Amy L.:** see **Banerji 1996**
- Ben Abdallah, Arbi:** see **Cottler 1998**
- Bender, Michael T. and Jane M. Williams:** A real plan of action on mercury, 1999;114:416-20 (Commentary)
- Bender, Patricia F.:** see **Harvey 1998**
- Bennett, Erica D.:** see **Elder 1996**
- Bennett, Trude:** Measuring welfare reform, 1997;112:352-4 (Review)
- Bennett, Trude:** "Racial" and ethnic classification: two steps forward and one step back? 1997;112:477-80 (Viewpoint; see also letters 1998;113:191)
- Bennett, Trude:** Reproductive health in South Africa, 1999;114:88-90 (Overseas Observer)
- Bennett, Trude:** Reproductive health in Southeast Asia, 1999;114:374-6 (Overseas Observer)
- Bennett, Trude:** Update on "racial" classifications, 1998;113:4 (Letter updating Bennett 1997;112:477-80)
- Benor, David:** see **Lloyd-Puryear 1998**
- Berenson, Gerald S., Wendy A. Wattigney, and Larry S. Webber:** Epidemiology of hypertension from childhood to young adulthood in black, white and Hispanic population samples, 1996;111(Suppl.):3-6 (Scientific Contribution)
- Berg, Debra:** see **Bauer 1998**
- Bergstrom, Richard:** see **Fujimoto 1996**
- Berkowitz, Bill:** see **Fawcett 2000**
- Bernert, John T.:** see **Kharrazi 1999**
- Bernstein, Judith:** see **Fidler 1999**
- Besser-Wiek, John M.:** see **Mills 1996**
- Binder, Sue, Alexandra M. Levitt, and James M. Hughes:** Preventing emerging infectious diseases as we enter the 21st century: CDC's strategy, 1999;114:130-4 (Viewpoint)
- Binder, Sue, Thomas D. Matte, Marcie-Jo Kresnow, Barbara Houston, and Jeffrey J. Sacks:** Lead testing of children and homes: results of a national telephone survey, 1996;111:342-6 (Scientific Contribution)
- Bingler, Steven:** The school as the center of a healthy community, 2000;115:228-33 (Practice Article)
- Binkin, Nancy J.:** see **Granich 1998**
- Bishop, Christine E.:** Health cost containment: what it will mean for workers and local economies, 1998;113:204-13 (Feature Article)
- Blackburn, Claudia P.:** see **Pierce 1998**
- Blackman, Paul H.:** Gun-related violence, 2000;115:406-7 (Letter in response to Price and Oden 2000;115:109-10)
- Blackman, Paul H.:** NRA on gun ownership, 2000;115:108 (Letter in response to Price and Oden 1999;114:533-9; see also response 2000;115:109-10 and further letters 2000;115:303, 406-7)
- Blackwell, Angela Glover and Raymond Colmenar:** Community-building: from local wisdom to public policy, 2000;115:161-6 (Practice Article)
- Blanding, Judith A.:** see **Mohle-Boetani 1999**
- Bloch, Allan B., Ida M. Onorato, Walter W. Ihle, James L. Hadler, Christopher H. Hayden, and Dixie E. Snider, Jr.:** Expanded tuberculosis surveillance in the United States: the need for epidemic intelligence, 1996;111:26-31 (Feature Article)
- Bloch, Michele, Richard Daynard, and Ruth Roemer:** A year of living dangerously: the tobacco control community meets the global settlement, 1998;113:488-97 (Feature Article)

- Boatright, Daniel T.:** see Lynch 2000
- Boccher-Lattimore, Daria:** see Guttman 1998
- Bock, Naomi N., Millie Reeves, Madie LaMarre, and Beverly DeVoe:** Tuberculosis case detection in a state prison system, 1998;113:359-64 (Scientific Contribution)
- Bogdan, Greg:** see Huff 1996
- Bolton, Paul, Anwar Hussain, Anita Hadpawar, Elizabeth Holt, Nancy Hughart, and Bernard Guyer:** Deficiencies in current childhood immunization indicators, 1998;113:527-32 (Scientific Contribution; see also letter 1999;114:3-4)
- Bolton, Paul, Elizabeth Holt, Alan Ross, Nancy Hughart, and Bernard Guyer:** Estimating vaccination coverage using parental recall, vaccination cards, and medical records, 1998;113:521-6 (Scientific Contribution; see also letter 1999;114:3-4)
- Booth, Robert E., Carol Kwiatkowski, Martin Y. Iguchi, Francesca Pinto, and Debbie John:** Facilitating treatment entry among out-of-treatment injection drug users, 1998;113(Suppl.):116-28 (Practice Article)
- Booth-Butterfield, Steven:** see Reger 1998
- Bouchard, Jo M.:** see Siegal 1997
- Boufford, Jo Ivey and Philip R. Lee:** Federal programs and Indian country: a time for reinvention, 1998;113:34-5 (Commentary)
- Boyko, Edward J.:** see Fujimoto 1996; Schraer 1996
- Brackin, Bruce T.:** see Penman 1997
- Braden, Christopher R.:** see Driver 1996
- Bradley, Clare:** see Kann 1998
- Bradley, Tami:** see Vliet 2000
- Branche, Christine M.:** see Gilchrist 2000
- Breen, Nancy, Eric J. Feuer, Scott Dupuy, and Jane Zapka:** The effect of Medicare reimbursement for screening mammography on utilization and payment, 1997;112:423-32 (Scientific Contribution)
- Brewer, Timothy F.:** see Heymann 1997
- Briggs-Marsh, Judith and Jackue Warren:** A park for all the people, 2000;115:253-6 (Practice Article)
- Broadhead, Robert S., Douglas D. Heckathorn, David L. Weakliem, Denise L. Anthony, Heather Madray, Robert J. Mills, and James Hughes:** Harnessing peer networks as an instrument for AIDS prevention: results from a peer-driven intervention, 1998;113(Suppl.):42-57 (Practice Article)
- Broadhead, Robert S., Yaël van Hulst, and Douglas D. Heckathorn:** The impact of a needle exchange's closure, 1999;114:439-47 (Research Article)
- Brock, Dwight B.:** see Losonczy 1998
- Brody, Julia Green, Ruthann Rudel, Nancy Irwin Maxwell, and Susan R. Swedis:** Images of breast cancer, 1997;112:89 (Letter about cover photograph Nov-Dec 1996)
- Brody, Julia Green, Ruthann Rudel, Nancy Irwin Maxwell, and Susan R. Swedis:** Mapping out a search for environmental causes of breast cancer, 1996;111:494-507 (Feature Article)
- Bronner, Robert, Michael Kidorf, Van King, Peter Beilenson, Dace Svilkis, and David Vlahov:** Drug abuse treatment success among needle exchange participants, 1998;113(Suppl.):129-39 (Practice Article)
- Brosnan, Christine A., Patrick Brosnan, Bradford L. Therrell, Carl H. Slater, J. Michael Swint, John F. Annegers, and William J. Riley:** A comparative cost analysis of newborn screening for classic congenital adrenal hyperplasia in Texas, 1998;113:170-8 (Scientific Contribution)
- Brosnan, Patrick:** see Brosnan 1998
- Brown, Carol K.:** see Richards 1999
- Brown, Christopher:** see Shriver 1998
- Brown, Clive M., Henry A. Anderson, and Ruth A. Etzel:** Asthma: the states' challenge, 1997;112:198-205 (Feature Article)
- Brown, Donna L.:** see Fraser 2000
- Brown, Elizabeth R.:** see McCloskey 1999
- Brown, J. Larry:** Sweet justice: domestic hunger and the limits of charity, 1999;114:381-3 (Book Review)
- Brown, Mary Jean, Edmond Shenassa, Thomas D. Matte, and Sandra N. Catlin:** Children in Illinois with elevated blood lead levels, 1993-1998, and lead-related pediatric hospital admissions in Illinois, 1993-1997, 2000;115:532-6 (Research Article)
- Brown, S. Lori, Christine M. Parmentier, Eileen K. Woo, Lakshmi Vishnuvajjala, and Marcia L. Headrick:** Silicone gel breast implant adverse event reports to the Food and Drug Administration, 1984-1995, 1998;113:535-43 (Scientific Contribution)
- Brownell, Marni D.:** see DeCoster 1997
- Browner, Carol M.:** Smog and soot: updating air quality standards, 1997;112:366-7 (Viewpoint)
- Browning, Steven R., Susan C. Westneat, Helena Truszczynska, Deborah Reed, and Robert McKnight:** Farm tractor safety in Kentucky, 1995, 1999;114:53-9 (Scientific Contribution)
- Bruer, John T.:** The brain and child development: time for some critical thinking, 1998;113:388-97 (Feature Article; see also letter and response 1998;113:480-1)
- Bruerd, Bonnie and Candace Jones:** Preventing baby bottle tooth decay: eight-year results, 1996;111:63-5 (Scientific Contribution)
- Brugge, Doug, Andrew Leong, and Zenobia Lai:** Can a community inject public health values into transportation questions? 1999;114:41-7 (Viewpoint)
- Burchfiel, Cecil M.:** see Curb 1996
- Burke, Kenneth:** see Huff 1996
- Burr, Janice:** see Granich 1998
- Burt, Vicki L.:** see Crespo 1996; Loria 1996
- Bush, Gerald W.:** Complex interactions with the work environment, 1996;111:242-3 (Commentary on returning to work)
- Byrd, Theresa L., Patricia Dolan, Beatrice J. Selwyn, and Ronald Lorimor:** Initiation of prenatal care by low-income Hispanic women in Houston, 1996;111:536-40 (Scientific Contribution)
- Cabrera, Luis F.:** see Arcury 1999
- Cai, Bin:** see Seage 1997
- Caldwell, Blake:** see Gorsky 1996
- Campbell, Ellen:** see Turner 1999
- Campbell, Miriam K.:** What is the relative risk of disease in smokers, 1996;111:427 (Commentary)
- Campuzano, Mary K.:** see Vliet 2000
- Carey, James W., Margaret J. Oxtoby, Lien Pham Nguyen, Van Huynh, Mark Morgan, and Marva Jeffery:** Tuberculosis beliefs among recent Vietnamese refugees in New York State, 1997;112:66-72 (Scientific Contribution)
- Carmody, Thomas J.:** see McKinney 1997
- Carroll, Marilyn:** Appalachian coal miners combine mutual help and advocacy, 1999;114:326-7 (Viewpoint)
- Casey, Neil M., Jack Smith, and C. William Keck:** Mapping rodent complaints, 1999;114:361 (Technology)
- Casey-Paol, Amy:** see Korn 1997
- Cashman, Suzanne B.:** see Kinder 2000
- Casper, Michele, Steve Rith-Najarian, Janet Croft, Wayne Giles, and Ralph Donehoo:** Blood pressure, diabetes, and body mass index among Chippewa and Menominee Indians: The Inter-Tribal Heart Project preliminary data, 1996;111(Suppl.):37-9 (Scientific Contribution)
- Cassel, Christine:** see Woods 1997
- Cather, Amanda:** see Frank 1996
- Catlin, Sandra N.:** see Brown 2000
- Cesari, Helen:** see Needle 1998
- Chaloupka, Frank J.:** see Grossman 1997
- Chapman, Larry J., Ronald T. Schuler, Terry L. Wilkinson, Cheryl A. Skjolaas:** Agricultural safety efforts by county health departments in Wisconsin, 1996;111:437-43 (Scientific Contribution)
- Chaulk, C. Patrick, Lynn Khoo, Diane L. Matuszak, and Ebenezar Israel:** Case characteristics and trends in pediatric tuberculosis, Maryland, 1986-1993, 1997;112:146-52 (Scientific Contribution)
- Cheek, James E.:** see McQuiston 2000
- Chen, Jarvis T.:** see Krieger 1997
- Chen, Jeff T.:** see Naumova 2000
- Chen, Robert T.:** see Ellenberg 1997
- Childs, James E.:** see McQuiston 2000; Rupperecht 1996
- Chin, Jean Lau:** Culturally competent health care, 2000;115:25-33 (Viewpoint; see also letter 2000;115:111)
- Chin, Lean Lau:** A juxtaposition of cultures, 2000;115:485-6 (Book Review)
- Chin, Tom D.Y.:** The Kansas City Field Station, 1950-1973, 1999;114:377-80 (Chronicles)
- Chiu, Darryl:** see Curb 1996
- Chrisman, Noel J.:** see Koné 2000
- Christensen, Margaret H.:** Tattoos, 2000;115:432-5 (Text for photo essay on tattoos)
- Christian, Evelyn:** see McClendon 1997
- Chugani, Harry T.:** Neuroscience and public policy, 1998;113:480-1 (Letter in response to Bruer 1998;113:388-97)
- Ciampa, Jeffrey R. and Ann S. Backus:** Involving a community in a marine safety investigation, 1999;114:89-90 (Letter)
- Cieslak, Theodore J.:** Biowarfare: a case study, 2000;115:483-5 (Book Review)
- Ciske, Sandra J.:** see Koné 2000
- Clark, Douglas K.:** The city government's role in community health improvement, 2000;115:216-21 (Practice Article)
- Clarke, William R.:** see Zwerling 2000
- Clipp, Elizabeth C.:** see Kochersberger 1996
- Close, Nicole:** see Havas 1996
- Cloutier, Suzanne:** see Martin 1999
- Cobb, James D.:** see Granich 1998
- Coffill, Thomas:** see Cotterchio 1998
- Cogswell, Mary E.:** see Davis 1998
- Cohen, Hillel W., Robert M. Gould, and Victor W. Sidel:** Bioterrorism "preparedness": dual use or poor excuse, 2000;115:403-5 (Letter in response to Fraser and Brown 2000;115:326-30; see also response 2000;115:406)
- Cohen, Jonathan:** see Schraer 1996
- Cohen, Mitchell L.:** see Dixon 1996
- Cole, Phyllis A.:** see Siegal 1998
- Colmenar, Raymond:** see Blackwell 2000
- Compton, Wilson M.:** see Cottler 1998
- Conway, George A., Jennifer M. Lincoln, Bradley J. Husberg, Jan C. Manwaring, Michael L. Klatt, and Timothy K. Thomas:** Alaska's model program for surveillance and prevention of occupational injury deaths, 1999;114:550-8 (Practice Article)
- Conway, George A.:** see Lincoln 1996
- Conway, Terry L.:** see Elder 1996
- Cooper, Crystale Purvis and Debra L. Roter:** "If it bleeds it leads"? attributes of TV health news stories that drive viewer attention, 2000;115:331-8 (Research Article; see also letter and response 2000;115:498-9)
- Cotterchio, Michella, Julia Gunn, Thomas Coffill, Patricia Tormey, and M. Anita Barry:** Effect of a manager training program on sanitary conditions in restaurants, 1998;113:353-8 (Scientific Contribution)
- Cottler, Linda B., Wilson M. Compton, Arbi Ben Abdallah, Renee Cunningham-Williams, Faye Abram, Carl Fichtenbaum, and William Dotson:** Peer-delivered interventions reduce HIV risk behaviors among out-of-treatment drug abusers, 1998;113(Suppl.):31-41 (Practice Article)
- Cox, Christine S.:** see Fingerhut 1998
- Cox, Christopher:** see Lanphear 2000
- Coyle, Susan L., Richard H. Needle, and Jacques Normand:** Outreach-based HIV prevention for injecting drug users: a review

- of published outcome data, 1998;113(Suppl.):19-30 (Practice Article)
- Coyle, Susan L.:** see **Needle 1998**
- Cray, Charlie:** Closing the lid on chlorine, 2000;115:378-81 (Book Review)
- Crespo, Carlos J., Catherine M. Loria, and Vicki L. Burt:** Hypertension and other cardiovascular disease risk factors among Mexican Americans, Cuban Americans, and Puerto Ricans from the Hispanic Health and Nutrition Examination Survey, 1996;111(Suppl.):7-10 (Scientific Contribution)
- Crespo, Carlos J.:** see **Loria 1996**; **Segal 1998**
- Crockett, Landis K.:** see **Wroten 1999**
- Croft, Janet:** see **Casper 1996**
- Croner, Charles M.:** see **Richards 1999**
- Crump, Regan L., Marilyn H. Gaston, and Gerard Ferguson:** HRSA's Models that Work program: implications for improving access to primary health care, 1999;114:218-24 (Feature Article)
- Cruz, Alba N.:** see **McCloskey 1999**
- Cunningham-Williams, Renee:** see **Cottler 1998**
- Cupples, L. Adrienne:** see **Frank 1996**
- Curb, J. David, Noa Emmet Aluli, Bo Ji Huang, Dan S. Sharp, Beatriz L. Rodriguez, Cecil M. Burchfiel, Darryl Chiu:** Hypertension in elderly Japanese Americans and adult native Hawaiians, 1996;111(Suppl.): 53-5 (Scientific Contribution)
- Curry, Kim:** Private health care in Canada, 1997;112:445 (Letter in response to DeCoster and Brownell 1997;112:298-305)
- D'Angelo, Anthony J.:** see **Nolan 1996**
- Daley, W. Randolph:** see **Silverman 1998**
- Daly, Matthew:** see **Martin 1999**
- Damus, Karla:** see **Petrini 1998**
- Daniels, Desmond:** see **Kumar 1998**
- Dannenberg, Andrew L.:** see **Landen 1999**
- Davis, Harold, Peter J. Gergen, and Roscoe M. Moore, Jr.:** Geographic differences in mortality of young children with sickle cell disease in the United States, 1997;112:52-8 (Scientific Contribution; see also correction 1997;112:89)
- Davis, Harold, Roscoe M. Moore, Jr., and Peter J. Gergen:** Cost of hospitalizations associated with sickle cell disease in the United States, 1997;112:40-3 (Scientific Contribution)
- Davis, Kelli C., Mary E. Cogswell, Sean Lee, Richard Rothenberg, and Jeffrey P. Koplan:** Lipid screening in a managed care population, 1998;113:346-50 (Scientific Contribution)
- Davis, Letitia K.:** Youth employment versus exploitative child labor, 1998;113:3-4 (Letter in response to Landrigan and McCammon 1997;112:466-73)
- Davis, Letitia K.:** see **Tumpowsky 2000**
- Daynard, Richard A.:** see **Sweda 2000**
- Daynard, Richard:** see **Bloch 1998**
- de Burger, Ron:** see **Shriver 1998**
- de Courten, Maximilian P., David J. Pettitt, and William C. Knowler:** Hypertension in Pima Indians: prevalence and predictors, 1996;111(Suppl.):40-3 (Scientific Contribution)
- DeCoster, Carolyn A. and Marni D. Brownell:** Private health care in Canada: savior or siren, 1997;112:298-305 (Feature Article; see also letter and response 1997;112:445-6)
- Dehne, Karl L.:** see **Ball 1998**
- DeLorenzo, Gerald N.:** see **Satariano 1996**
- DeMaria, Jr., Alfred:** see **Kreindel 1998**
- Denison, Anne V. and J. Rush Pierce, Jr.:** Enrollment in English-as-a-Second-Language class as a predictor of tuberculosis infection in schoolchildren, 1996;111:428-30 (Scientific Contribution)

### ACCESS TO CARE

- "Electronic house calls: 21st century options" predicts home care, 1996;111:3 (News & Notes)
- Barriers to the use of preventive health care services for children, 1996;111:71-7 (Scientific Contribution)
- Actors play patients: using surrogate patients to look into private practice, 1996;111:128-32 (Feature Article)
- The simulated patient, 1996;111:133-4 (Commentary)
- Health care access of poverty-level older adults in subsidized public housing, 1996;111:260-3 (Scientific Contribution)
- Initiation of prenatal care by low-income Hispanic women in Houston, 1996;111:536-40 (Scientific Contribution)
- Sickle cell disease expenditures and outcomes, 1997;112:38-9 (Commentary; see also letter and response 1997;112:177)
- Outcomes of enhanced prenatal services for Medicaid-eligible women in public and private settings, 1997;112:122-32 (Scientific Contribution; see also letter and response 1997;112:446)
- What assures good outcomes in Medicaid-financed prenatal care? 1997;112:133-4 (Commentary)
- Impact of the Mammography Quality Standards Act on access in Minnesota, 1997;112:142-5 (Scientific Contribution)
- Private health care in Canada: savior or siren, 1997;112:298-305 (Feature Article; see also letter and response 1997;112:445-6)
- Medical necessity and the debate over [expensive] care, 1997;112:306-7 (Commentary on rationing of care)
- Johnson grant seeks increase in generalists, 1997;112:365 (News & Notes)
- The effect of Medicare reimbursement for screening mammography on utilization and payment, 1997;112:423-32 (Scientific Contribution)
- Nurses to recommend provider mix in shortage areas, 1998;113:8 (News & Notes)
- Challenges to Native American health care, 1998;113:22-33 (Feature Article)
- Federal programs and Indian country: a time for reinvention, 1998;113:34-5 (Commentary)
- AHCPR says: millions face barriers to medical care, 1998;113:102 (News & Notes)
- Major access barriers identified in 10-state health insurance study, 1998;113:294 (News & Notes)
- Millions of American children still uninsured and facing barriers to care, 1998;113:295 (News & Notes)
- States must be held accountable for new health plans for children, 1998;113:383 (News & Notes)
- New health options available under Medicare+Choice, 1998;113:384 (News & Notes)
- Not all health plan consumers protected equally, study finds, 1999;114:8 (News & Notes)
- Effect of insurance coverage on the relationship between asthma hospitalizations and exposure to air pollution, 1999;114:135-48 (Scientific Contribution)
- Counting the uninsured using state-level hospitalization data, 1999;114:149-56 (Scientific Contribution)
- HRSA's Models That Work program: implications for improving access to primary health care, 1999;114:218-24 (Feature Article)
- 44.3 million in US lack health insurance, 1999;114:491 (News & Notes)

- GAO looks at state Medicaid enrollment post-welfare reform, 1999;114:492 (News & Notes)
- Providers, health plans clash over patient care, 1999;114:493 (News & Notes)
- A community strategy for Medicaid child dental services, 1999;114:528-32 (Research Article)
- Welfare reform: advocacy and intervention in the health care setting, 1999;114:540-9 (Practice Article)
- Culturally competent health care, 2000;115:25-33 (Viewpoint)
- HRSA funds research on rural health, 2000;115:408 (News & Notes)
- Charity care programs: part of the solution or part of the problem? 2000;115:419-29 (Viewpoint)
- Increasing access to dental care for Medicaid preschool children: the Access to Baby and Child Dentistry (ABCD) Program, 2000;115:448-59 (Research Article)
- "Patients like us": pregnant and parenting teens view the health care system, 2000;115:557-75 (Practice Article)

 Implementation of EPA's Worker Protection Standard training for agricultural laborers: an evaluation using North Carolina data, 1999;114:459-68 (Practice Article; see also letter 1999;114:488-9)

# ALASKA NATIVES

Local research: needed guidance for the Indian Health Service's urban mission, 1996;111:320 (Commentary)  
 American Indians and Alaska Natives—overview of the population, 1996;111(Suppl.):49-50 (Scientific Contribution)  
 Hypertension and diabetes among Siberian Yupik Eskimos of St. Lawrence Island, Alaska, 1996;111(Suppl.):51-2 (Scientific Contribution)  
 American Indian and Alaska Native health bibliography, 1997;112:180-1 (News & Notes)  
 Challenges to Native American health care, 1998;113:22-33 (Feature Article; see also letters 1998;113:101)  
 Federal programs and Indian country: a time for reinvention, 1998;113:34-5 (Commentary)  
 Integrating American Indians and Alaska Natives into the body politic? 1998;113:365-8 (Chronicles)  
 Asthma prevalence among American Indian and Alaska Native children, 1999;114:257-61 (Scientific Contribution)

# ALCOHOL ABUSE

See also SUBSTANCE ABUSE  
 Perceptions of risks of drinking and boating among Massachusetts boaters, 1996;111:372-7 (Scientific Contribution)  
 One drink a month protects best, 1997;112:186 (News & Notes)  
 Labeling the benefits of wine drinking, 1997;112:447 (News & Notes)  
 College-age drinking problems, 1998;113:24 (Viewpoint)  
 Qualitative assessment of training programs for alcohol servers and establishment managers, 1998;113:162-9 (Scientific Contribution)  
 Screening for pregnancy and contraceptive use among women admitted to a Denver detoxification center, 1998;113:336-40 (Scientific Contribution)

Feasibility of obtaining sexual risk and STD history in the context of a drinking drivers' program, 1998;113:341-5 (Scientific Contribution)  
 Effects of Maine's 0.05% legal blood alcohol level for drivers with DWI convictions, 1998;113:440-6 (Scientific Contribution)  
 From social drinking ... to public problems, 1999;114:236-41 (Photo Essay; see also letter 1999;114:488)  
 Alcohol sales to pseudo-intoxicated bar patrons, 1999;114:337-42 (Research Article)  
 Racial discrimination and alcohol-related behavior in urban transit operators: findings from the San Francisco Muni Health and Safety Study, 1999;114:448-58 (Research Article)

# ALLERGIES

Warning! on rubber latex allergies, 1998;113:109 (News & Notes)

# ALZHEIMER'S DISEASE

See also DEMENTIA  
 AHCPR guideline urges prompt assessment of Alzheimer's disease, 1997;112:3-4 (News & Notes)  
 Alzheimer's disease: the evolution of a diagnosis, 1997;112:495-6 (Commentary)  
 Alzheimer's disease as a cause of death in the United States, 1997;112:497-505 (Scientific Contribution)

# AMERICAN INDIANS

The prevalence of selected risk factors for chronic disease among American Indians in Washington State, 1996;111:264-71 (Scientific Contribution)  
 Local research: needed guidance for the Indian Health Service's urban mission, 1996;111:320 (Commentary)  
 Trauma among American Indians in an urban country, 1996;111:321-7 (Scientific Contribution)  
 Effect of educational brochures on Cherokee women with abnormal Pap smears, 1996;111:546-7 (DHHS 1995 Secretary's Award)  
 Clinical hypertension in Native Americans: a comparison of 1987 and 1992 rates from ambulatory care data, 1996;111(Suppl.):33-6 (Scientific Contribution)  
 Blood pressure, diabetes, and body mass index among Chippewa and Menominee Indians: The Inter-Tribal Heart Project preliminary data, 1996;111(Suppl.):37-9 (Scientific Contribution)  
 Hypertension in Pima Indians: prevalence and predictors, 1996;111(Suppl.):40-3 (Scientific Contribution)  
 Blood pressure and body measurements among Navajo adolescents, 1996;111(Suppl.):44-6 (Scientific Contribution)  
 Blood pressure in 13 American Indian communities: The Strong Heart Study, 1996;111(Suppl.):47-8 (Scientific Contribution)  
 American Indians and Alaska Natives—overview of the population, 1996;111(Suppl.):49-50 (Scientific Contribution)  
 American Indian and Alaska Native health bibliography, 1997;112:180-1 (News & Notes)  
 Challenges to Native American health care, 1998;113:22-33 (Feature Article; see also letters 1998;113:101)  
 Federal programs and Indian country: a time for reinvention, 1998;113:34-5 (Commentary)  
 Integrating American Indians and Alaska Natives into the body politic? 1998;113:365-8 (Chronicles)  
 Asthma prevalence among American Indian and Alaska Native children, 1999;114:257-61 (Scientific Contribution)  
 Incidence of Rocky Mountain spotted fever among American Indians in Oklahoma, 2000;115:469-75 (Research Article)

# AMERICAN MEDICAL ASSOCIATION (AMA)

Labeling the benefits of wine drinking, 1997;112:447 (News & Notes)  
 AMA, Nemours launch KidsHealth, 1998;113:10 (News & Notes)

# AMERICAN PUBLIC HEALTH ASSOCIATION (APHA)

APHA seeks new executive director, 1996;111:294-5 (News & Notes)  
 APHA, CDC look for innovative public health, 1997;112:183 (News & Notes)  
 APHA launches innovative health projects network, 1998;113:11 (News & Notes)

# ANIMALS

The race for life, 1996;111:272-5 (PHS Chronicles)  
 Current issues in rabies prevention in the United States: health dilemmas, public coffers, private interests, 1996;111:400-7 (Feature Article)  
 Federal guidelines needed to ensure safety in animal-human transplants, 1997;112:2-3 (News & Notes)  
 Cannibalism and industrial animal husbandry, 1997;112:351 (Book Review; see also letter 1997;112:357-8)  
 Overuse of antibiotics in livestock results in resistant strains, 1998;113:104 (News & Notes)  
 Defining the rabies problem, 1998;113:245-6 (Commentary)  
 The cost of rabies postexposure prophylaxis: one state's experience, 1998;113:247-51 (Scientific Contribution)  
 Dog and cat bites: epidemiologic analyses suggest different prevention strategies, 1998;113:252-7 (Scientific Contribution)  
 Potential rabies exposures in a Virginia county, 1998;113:258-62 (Scientific Contribution)  
 Hoarding of animals: an under-recognized public health problem in a difficult-to-study population, 1999;114:81-7 (Scientific Contribution)  
 Mapping rodent complaints, 1999;114:361 (Sidebar to Richards et al. 1999;114:359-73)  
 Panel endorses new non-animal test to determine chemical burn, corrosion, 1999;114:394 (News & Notes)

# ANTIBIOTIC RESISTANCE

Overuse of antibiotics in livestock results in resistant strains, 1998;113:104 (News & Notes)  
 TB "hot zones" emerging, 1998;113:107 (News & Notes)  
 Better surveillance and more awareness needed to deal with rise in antibiotic resistance, 1998;113:386 (News & Notes)

# ARTHRITIS

CDC targets arthritis, a leading cause of disability, 1999;114:102 (News & Notes)  
 Asian and Pacific Islander Americans  
 Hypertension in elderly Japanese Americans and adult native Hawaiians, 1996;111(Suppl.):53-5 (Scientific Contribution)  
 Hypertension in Japanese Americans: The Seattle Japanese-American Community Diabetes Study, 1996;111(Suppl.):56-8 (Scientific Contribution)  
 A comparison of the prevalence and risk factors of high blood pressure among Japanese living in Japan, Hawaii, and Los Angeles, 1996;111(Suppl.):59-61 (Scientific Contribution)  
 Cardiovascular risk factors among Asian Americans, 1996;111(Suppl.):62-4 (Scientific Contribution)  
 Comparisons of blood pressure between Asian-American children and children from other racial groups in Chicago, 1996;111(Suppl.):65-7 (Scientific Contribution)

**ASTHMA**

- Asthma Awareness Day: planning guide issued, 1996;111:289-90 (News & Notes)  
 Asthma: the states' challenge, 1997;112:198-205 (Feature Article)  
 Childhood asthma surveillance using computerized billing records: a pilot study, 1997;112:506-12 (Scientific Contribution; see also correction 1998;113:4)  
 NHLBI website: asthma management, 1999;114:104 (News & Notes)  
 Effect of insurance coverage on the relationship between asthma hospitalizations and exposure to air pollution, 1999;114:135-48 (Scientific Contribution)  
 NIH launches interactive asthma exhibition, 1999;114:206 (News & Notes)  
 Asthma prevalence among American Indian and Alaska Native children, 1999;114:257-61 (Scientific Contribution)

**AUSTRALIA**

- Australians swift and decisive on gun violence, 1998;113:96 (Overseas Observer)  
 Extreme exposure: the Sydney to Hobart yacht race and the role of prediction, 1999;114:278-80 (Overseas Observer)  
 Addressing drug abuse: policy deliberations in the great south land, 2000;115:476-9 (Overseas Observer)

**BIOTECHNOLOGY**

- The biotechnology revolution and world health: a five-point plan, 1998;113:122-7 (Viewpoint)

**BIOTERRORISM**

- Cities need new drugs, diagnostic tests, and software to prepare for chemical, biological attacks, 1999;114:108 (News & Notes)  
 Death in Gotham, 1999;114:186-8 (Book Review)  
 \$40 million for bioterrorism preparedness, 1999;114:491 (News & Notes)  
 Bioterrorism preparedness and local public health agencies: building response capacity, 2000;115:326-30 (Viewpoint; see also letter and response 2000;115:403-6)  
 Biowarfare: a case study, 2000;115:483-5 (Book Review)

**BIRTH DEFECTS**

- A comparative cost analysis of newborn screening for classic congenital adrenal hyperplasia in Texas, 1998;113:170-8 (Scientific Contribution)  
 The effect of using "race of child" instead of "race of mother" on the black-white gap in infant mortality due to birth defects, 1998;113:263-7 (Scientific Contribution)  
 FDA study finds test kits effective in spotting birth defects, 1998;113:382 (News & Notes)

**BLACK LUNG DISEASE**

- Abolishing black lung, 1997;112:90 (News & Notes)  
 Appalachian coal miners combine mutual help and advocacy, 1999;114:326-7 (Viewpoint)

**BOOK REVIEWS**

- Read *The Coming Plague* instead, 1996;111:288 (Review of Cook, *Contagion*)  
 Bad year for big tobacco, 1996;111:556-7 (Review of Grisham, *The Runaway Jury*; Kluger, *Ashes to Ashes*; Glantz, et al., *The Cigarette Papers*; and Hiltz, *Smoke Screen: The Truth Behind the Tobacco Industry Cover-up*)

 Surgeon General releases Children's Mental Health Agenda, 2000;115:500 (News & Notes)  
 Report outlines effects of non-USA foods sold in schools, 2000;115:503 (News & Notes)  
 Cognitive deficits associated with blood lead concentrations <μg/dL in US children and adolescents, 2000;115:521-9 (Research Article)  
 Pediatric lead poisoning: is there a threshold? 2000;115:530-1 (Commentary)  
 Children in Illinois with elevated blood lead levels, 1993-1998, and lead-related pediatric hospital admissions in Illinois, 1993-1997, 2000;115:532-6 (Research Article)  
 Lead-contaminated imported tamarind candy and children's blood lead levels, 2000;115:537-43 (Research Article)  
 "Patients like us": pregnant and parenting teens view the health care system, 2000;115:557-75 (Practice Article)  
 The Surgeon General on the continuing tragedy of childhood lead poisoning, 2000;115:579-80

#### CHLORINE

Hospitals & plastics: dioxin prevention and medical waste incinerators, 1996;111:298-313 (Feature Article; see also letters and response 1996;111:473-5)  
 Closing the lid on chlorine, 2000;115:378-81 (Book Review)

#### CHRONIC FATIGUE SYNDROME

NIAID offers new chronic fatigue syndrome booklet, 1997;112:96 (News & Notes)  
 Chronic fatigue syndrome continuing education credits online, 1998;113:9 (News & Notes)

#### CIVIL LIBERTIES

Public health versus civil liberties, 1998;113:334-5 (Commentary)  
 Screening for pregnancy and contraceptive use among women admitted to a Denver detoxification center, 1998;113:336-40 (Scientific Contribution)

#### COMMUNITY HEALTH CENTERS

CHCs staffed by nurses win "Models that Work" award, 1997;112:94 (News & Notes)

#### CONSUMER PRODUCT SAFETY

CPSC announces new publication, 1996;111:479 (News & Notes)  
 Federal panel to look at plasticizers, 1999;114:297 (News & Notes)

#### CONTRACEPTION

WHO task force answers questions on oral contraceptive use, 1996;111:4 (News & Notes)  
 Pill found effective for emergency "morning after" use, 1996;111:389 (News & Notes)  
 Reproductive choice and ethical responsibility, 1997;112:249-50 (Book Review)

#### CORE FUNCTIONS

Perceptions of public health, 1998;113:324-9 (Viewpoint)  
 Through the editor's looking-glass: Humpty Dumpty's rule, 1998;113:479 (Editorial; see also letter 1999;114:6)

#### CRIMINAL JUSTICE SYSTEM

Prisoners and pellagra, 1996;111:463-7 (PHS Chronicles)  
 The effect of incarceration during pregnancy on birth outcomes, 1997;112:340-6 (Scientific Contribution)

#### CRYPTOSPORIDIOSIS

National surveillance for infection with *Cryptosporidium parvum*, 1995-1998: what have we learned? 2000;115:358-63 (Research Article)  
 Use of passive surveillance data to study temporal and spatial variation in the incidence of giardiasis and cryptosporidiosis, 2000;115:436-47 (Research Article)

#### CUBA

Havana revisited, 1999;114:183-5 (Overseas Observer)

#### CULTURAL COMPETENCE

See also RACE/ETHNICITY  
 Culturally appropriate health education materials available, 1997;112:180 (News & Notes)  
 Bridging language and cultural barriers between physicians and patients, 1997;112:410-17 (Scientific Contribution)  
 Culturally competent health care, 2000;115:25-33 (Viewpoint; see also letter 2000;115:111)  
 A juxtaposition of cultures, 2000;115:485-6 (Book Review)

#### CYCLOSPORIASIS

Cyclosporiasis associated with imported raspberries, Florida, 1996, 1999;114:427-38 (Research Article)

#### DATABASES

NLM establishes new data base: SPACELINE, 1996;111:4-5 (News & Notes)  
 Congress doesn't act on public access to practitioner data, 1996;111:478-9 (News & Notes)  
 Better records needed for Gulf veterans' health research, 1997;112:7-8 (News & Notes)  
 Monitoring health care in the United States—a challenging task, 1997;112:108-13 (Feature Article)  
 The data standardization remedy in Kassebaum-Kennedy, 1997;112:114-15 (Commentary on monitoring health care)  
 Toxicology and environmental health databases assessed, 1997;112:179-80 (News & Notes)  
 Security and privacy of health records needs improvement, 1997;112:267 (News & Notes)  
 Open exchange of scientific data should be protected, 1997;112:268 (News & Notes)  
 Childhood asthma surveillance using computerized billing records: a pilot study, 1997;112:506-12 (Scientific Contribution; see also correction 1998;113:4)  
 The effect of using "race of child" instead of "race of mother" on the black-white gap in infant mortality due to birth defects, 1998;113:263-7 (Scientific Contribution)  
 Nonmedical health literature consolidated: www.chid.nih.gov, 1998;113:292 (News & Notes)  
 An algorithm to match registries with minimal disclosure of individual identities, 1999;114:91-3 (Information Technology)  
 Counting the uninsured using state-level hospitalization data, 1999;114:149-56 (Scientific Contribution)  
 Medicaid managed care and public health data, 1999;114:225-30 (Viewpoint)  
 Cross-matching TB and AIDS registries: TB patients with HIV co-infection, United States, 1993-1994, 1999;114:269-77 (Scientific Contribution)  
 CDC offers state-specific tobacco data on the Web, 1999;114:300 (News & Notes)  
 National dataset provides in-depth picture of

hospital care in the US, 1999;114:301 (News & Notes)  
 New health care quality data bank, 2000;115:11 (News & Notes)  
 County health care data now available on Web, 2000;115:408 (News & Notes)  
 On-line directory of DHHS data systems, 2000;115:409 (News & Notes)

#### DEAFNESS

Deafness and mortality: analyses of linked data from the National Health Interview Survey and National Death Index, 1999;114:330-6 (Research Article; see also letter 1999;114:393)

Preface (to special supplement on HIV prevention with drug-using populations), 1998;113(Suppl.):1-3

HIV prevention with drug-using populations—current status and future prospects: introduction and overview, 1998;113(Suppl.):4-18 (Practice Article)

Outreach-based HIV prevention for injecting drug users: a review of published outcome data, 1998;113(Suppl.):19-30 (Practice Article)

Peer-delivered interventions reduce HIV risk behaviors among out-of-treatment drug abusers, 1998;113(Suppl.):31-41 (Practice Article)

Harnessing peer networks as an instrument for AIDS prevention: results from a peer-driven intervention, 1998;113(Suppl.):42-57 (Practice Article)

Community-based outreach HIV intervention for street-recruited drug users in Madras, India, 1998;113(Suppl.):58-66 (Practice Article)

Syringe exchange programs: lowering the transmission of syringe-borne diseases and beyond, 1998;113(Suppl.):67-74 (Practice Article)

The role of needle exchange programs in HIV prevention, 1998;113(Suppl.):75-80 (Practice Article)

Pharmacy access to syringes among injecting drug users: follow-up findings from Hartford, Connecticut, 1998;113(Suppl.):81-9 (Practice Article)

Satellite exchange in the Baltimore needle exchange program, 1998;113(Suppl.):90-6 (Practice Article)

Drug abuse treatment as AIDS prevention, 1998;113(Suppl.):97-106 (Practice Article)

Methadone treatment protects against HIV infections: two decades of experience in the Bronx, New York City, 1998;113(Suppl.):107-15 (Practice Article)

Facilitating treatment entry among out-of-treatment injection drug users, 1998;113(Suppl.):116-28 (Practice Article)

Drug abuse treatment success among needle exchange participants, 1998;113(Suppl.):129-39 (Practice Article)

The network approach and interventions to prevent HIV among injection drug users, 1998;113(Suppl.):140-50 (Practice Article)

Outreach in natural settings: the use of peer leaders for HIV prevention among injecting drug users' networks, 1998;113(Suppl.):151-9 (Practice Article)

The outreach-assisted model of partner notification with IDUs, 1998;113(Suppl.):160-9 (Practice Article)

HIV prevention among injecting drug users: responses in developing and transitional countries, 1998;113(Suppl.):170-81 (Practice Article)

Fifteen years of research on preventing HIV infection among injecting drug users: what we

have learned, what we have not learned, what we have done, what we have not done, 1998;113(Suppl.):182-8 (Practice Article)

Bridging the gap between science and practice: insight to researchers from practitioners, 1998;113(Suppl.):189-93 (Practice Article)

What we have learned from research about the prevention of HIV transmission among drug abusers, 1998;113(Suppl.):194-204 (Practice Article)

Credibility of information from official sources on HIV/AIDS transmission, 1998;113:465-71 (Scientific Contribution)

Trial marriage: Florida's experience in consolidating HIV/AIDS, STD, and TB programs, 1999;114:74-80 (Scientific Contribution)

TV sex misses opportunities to educate audiences on safer sex, 1999;114:209 (News & Notes)

Cross-matching TB and AIDS registries: TB patients with HIV co-infection, United States, 1993-1994, 1999;114:269-77 (Scientific Contribution)

NIH dedicates new vaccine research center, announces AIDS vaccine effort, 1999;114:301 (News & Notes)

The impact of a needle exchange's closure, 1999;114:439-47 (Research Article)

WHO and UN: AIDS not losing momentum, 2000;115:7 (News & Notes)

Disclosure of HIV status to medical providers: differences by gender, "race," and immune function, 2000;115:38-45 (Research Article)

Acceptance of HIV testing during prenatal care, 2000;115:460-8 (Research Article)

Faith communities and HIV/AIDS prevention in New York State: results of a statewide survey, 2000;115:544-56 (Research Article)

# HOSPITALS

Using hospital discharge data for disease surveillance, 1996;111:78-81 (Scientific Contribution)

The ethics of excess, 1996;111:218-23 (Viewpoint)

Hospitals & plastics: dioxin prevention and medical waste incinerators, 1996;111:298-313 (Feature Article; see also letters and response 1996;111:473-5)

Seasonal variation in weight-for-age in a pediatric emergency room, 1996;111:366-71 (Scientific Contribution)

Drug-related ER visits increase, 1996;111:386-7 (News & Notes)

Cost of hospitalizations associated with sickle cell disease in the United States, 1997;112:40-3 (Scientific Contribution)

Hospital utilization patterns and costs for adult sickle cell patients in Illinois, 1997;112:44-51 (Scientific Contribution)

The early years of the PHS Narcotic Hospital at Lexington, Kentucky, 1997;112:245-7 (PHS Chronicles)

Before the Surgeon General: marine hospitals in mid-19th-century America, 1997;112:525-7 (PHS Chronicles)

Physician assistants and nurse practitioners in hospital outpatient departments, 1993-1994, 1998;113:75-82 (Scientific Contribution)

TB reporting, 1998;113:288 (Letter)

Nonprofit to for-profit conversions by hospitals, health insurers, and health plans, 1999;114:108-19 (Feature Article)

Federal panel to look at plasticizers, 1999;114:297 (News & Notes)

National dataset provides in-depth picture of hospital care in the US, 1999;114:301 (News & Notes)

A conversation on medical injury, 1999;114:302-17 (Feature Article; see also letter and response 1999;114:392-3)

Eliminating mercury use in hospital laboratories: a step toward zero discharge, 1999;114:353-8 (Practice Article)

# HYPERTENSION

The NHLBI workshop on hypertension in Hispanic Americans, Native Americans, and Asian/Pacific Islander Americans, 1996;111:451-8 (Scientific Contribution)

Foreword to this Supplement (on hypertension in selected US minority populations), 1996;111(Suppl.):1

Epidemiology of hypertension from childhood to young adulthood in black, white and Hispanic population samples, 1996;111(Suppl.):3-6 (Scientific Contribution)

Hypertension and other cardiovascular disease risk factors among Mexican Americans, Cuban Americans, and Puerto Ricans from the Hispanic Health and Nutrition Examination Survey, 1996;111(Suppl.):7-10 (Scientific Contribution)

Hypertension in the San Antonio Heart Study and the Mexico City Diabetes Study: clinical and metabolic correlates, 1996;111(Suppl.):11-14 (Scientific Contribution)

Hypertension among Mexican Americans in Starr County, Texas, 1996;111(Suppl.):15-17 (Scientific Contribution)

Hypertension in the San Antonio Heart Study and the Mexico City Diabetes Study: sociocultural correlates, 1996;111(Suppl.):18-21 (Scientific Contribution)

Blood pressure among Mexican-American, Cuban-American, and mainland Puerto Rican children, 1996;111(Suppl.):22-4 (Scientific Contribution)

Hypertension in Hispanic Americans: overview of the population, 1996;111(Suppl.):25-6 (Scientific Contribution)

Hypertension among rural Hispanics and non-Hispanic whites: The San Luis Valley Diabetes Study, 1996;111(Suppl.):27-9 (Scientific Contribution)

Sociodemographic influences on Hispanic-white differences in blood pressure, 1996;111(Suppl.):30-2 (Scientific Contribution)

Clinical hypertension in Native Americans: a comparison of 1987 and 1992 rates from ambulatory care data, 1996;111(Suppl.):33-6 (Scientific Contribution)

Blood pressure, diabetes, and body mass index among Chippewa and Menominee Indians: The Inter-Tribal Heart Project preliminary data, 1996;111(Suppl.):37-9 (Scientific Contribution)

Hypertension in Pima Indians: prevalence and predictors, 1996;111(Suppl.):40-3 (Scientific Contribution)

Blood pressure and body measurements among Navajo adolescents, 1996;111(Suppl.):44-6 (Scientific Contribution)

Blood pressure in 13 American Indian communities: The Strong Heart Study, 1996;111(Suppl.):47-8 (Scientific Contribution)

American Indians and Alaska Natives—overview of the population, 1996;111(Suppl.):49-50 (Scientific Contribution)

Hypertension and diabetes among Siberian Yupik Eskimos of St. Lawrence Island, Alaska, 1996;111(Suppl.):51-2 (Scientific Contribution)

Hypertension in elderly Japanese Americans and adult native Hawaiians, 1996;111(Suppl.):53-5 (Scientific Contribution)

Hypertension in Japanese Americans: The Seattle Japanese-American Community Diabetes Study, 1996;111(Suppl.):56-8 (Scientific Contribution)

A comparison of the prevalence and risk factors of high blood pressure among Japanese living in Japan, Hawaii, and Los Angeles, 1996;111(Suppl.):59-61 (Scientific Contribution)

Cardiovascular risk factors among Asian Americans, 1996;111(Suppl.):62-4 (Scientific Contribution)

Comparisons of blood pressure between Asian-American children and children from other racial groups in Chicago, 1996;111(Suppl.):65-7 (Scientific Contribution)

Blood pressure in minorities screened for the Multiple Risk Factor Intervention Trial (MRFIT), 1996;111(Suppl.):68-70 (Scientific Contribution)  
 NHLBI Workshop panel discussion: a scientific perspective, 1996;111(Suppl.):71-3 (Scientific Contribution)  
 Community panel discussions: from research to community action, 1996;111(Suppl.):74-6 (Panel Discussions and Summary)  
 Putting it all together: Summary of the NHLBI Workshop on the Epidemiology of Hypertension in Hispanic American, Native American, and Asian/Pacific Islander American populations, 1996;111:77-9 (Panel Discussions and Summary)

#### IMMIGRANTS/REFUGEES

The Public Health Service on Angel Island, 1996;111:92-4 (PHS Chronicles)  
 Ellis Island exhibit, 1996;111:190-1 (News & Notes)  
 Enrollment in English-as-a-Second-Language class as a predictor of tuberculosis infection in schoolchildren, 1996;111:428-30 (Scientific Contribution)  
 Tuberculosis in San Diego County: a border community perspective, 1996;111:431-6 (Scientific Contribution)  
 Tuberculosis beliefs among recent Vietnamese refugees in New York State, 1997;112:66-72 (Scientific Contribution)  
 Female genital mutilation/female circumcision: who is at risk in the U.S., 1997;112:368-77 (Feature Article; see also correction 1998;113:4)  
 Is compulsory overseas medical screening of migrants justifiable? 1997;112:396-402 (Feature Article)  
 Bridging language and cultural barriers between physicians and patients, 1997;112:410-17 (Scientific Contribution)  
 Doctors at the gate: PHS at Ellis Island, 1998;113:83-6 (Chronicles)  
 Tuberculosis among foreign-born residents of Southern Florida, 1995, 1998;113:552-6 (Scientific Contribution)  
 All quiet on the third coast: medical inspections of immigrants in Michigan, 1999;114:178-82 (Chronicles)  
 A comprehensive refugee health screening program, 1999;114:469-77 (Practice Article; see also letter and response 1999;114:489)

#### IMMUNIZATION: see VACCINATION

#### INDIA

Community-based outreach HIV intervention for street-recruited drug users in Madras, India, 1998;113(Suppl.):58-66 (Practice Article)

#### INFECTIOUS DISEASES

See also specific diseases  
 WHO establishes new rapid-response unit to fight diseases, 1996;111:7-8 (News & Notes)  
 Read *The Coming Plague* instead, 1996;111:288 (Book Review)  
 Epidemiologic maps of Washington DC, 1879-1909, 1996;111:314-19 (Feature Article)

IOM study calls for malaria vaccine, 1996;111:481 (News & Notes)

From MCWA to CDC—origins of the Centers for Disease Control and Prevention, 1996;111:549-51 (PHS Chronicles)

#### MANAGED CARE

Health care reform: workers beware! 1996;111:11 (Commentary on workers' compensation)

Working on reform: how workers' compensation medical care is affected by health care reform, 1996;111:12-24 (Feature Article)

Organized labor's concerns, 1996;111:25 (Commentary on workers' compensation)

Critical challenges, 1996;111:224-5 (excerpt from Pew Report)

Governors advise states on managed care, 1996;111:389 (News & Notes)

Medicare beneficiaries need new care options, better protection: IOM, 1997;112:1-2 (News & Notes)

Managed care and the public health challenge of TB, 1997;112:22-8 (Feature Article)

Needed: better managed mental health and substance abuse programs, 1997;112:95 (News & Notes)

Use of a customer satisfaction survey by health care regulators: a tool for total quality management, 1997;112:206-10 (Scientific Contribution)

Confusing consumer and provider, 1997;112:211 (Commentary)

The impact of managed care on the physician marketplace, 1997;112:222-30 (Scientific Contribution)

New health options available under Medicare+Choice, 1998;113:384 (News & Notes)

Lipid screening in a managed care population, 1998;113:346-50 (Scientific Contribution)

A public health standard for screening managed care populations, 1998;113:351-2 (Commentary)

Report calls for managed health care to be shaped to children's needs, 1999;114:7 (News & Notes)

Not all health plan consumers protected equally, study finds, 1999;114:8 (News & Notes)

Nonprofit to for-profit conversions by hospitals, health insurers, and health plans, 1999;114:108-19 (Feature Article)

How organized medical care can advance public health, 1999;114:120-5 (Viewpoint)

Medicaid managed care and public health data, 1999;114:225-30 (Viewpoint)

Providers, health plans clash over patient care, 1999;114:493 (News & Notes)

#### MARINE SAFETY

Perceptions of risks of drinking and boating among Massachusetts boaters, 1996;111:372-7 (Scientific Contribution)

Extreme exposure: the Sydney to Hobart yacht race and the role of prediction, 1999;114:278-80 (Overseas Observer)

Involving a community in a marine safety investigation, 1999;114:489-90 (Letter)

#### MEASLES

The measles tragedy revisited, 1998;113:479-80 (Letter; see also letter 1999;114:4-5)

#### MEDIA

Health ranks fifth on local TV news, 1998;113:296-7 (News & Notes)

TV sex misses opportunities to educate audiences on safer sex, 1999;114:209 (News & Notes)

Unlearning violence, 1999;114:478-9 (Surgeon General)

Winston's "No Additives" campaign: "Straight Up"? "No Bull"? 522-7 (Research Article)

"If it bleeds it leads"? attributes of TV health news stories that drive viewer attention, 2000;115:331-8 (Research Article; see also letter 2000;115:498-9)

#### MEDICAID

Outcomes of enhanced prenatal services for Medicaid-eligible women in public and private settings, 1997;112:122-32 (Scientific Contribution; see also letter and response 1997;112:446)

What assures good outcomes in Medicaid-financed prenatal care? 1997;112:133-4 (Commentary)

State estimates of Medicaid expenditures attributable to cigarette smoking, fiscal year 1993, 1998;113:140-51 (Scientific Contribution; see also correction 1998;113:191-2)

Medicaid managed care and public health data, 1999;114:225-30 (Viewpoint)

GAO looks at state Medicaid enrollment post-welfare reform, 1999;114:492 (News & Notes)

A community strategy for Medicaid child dental services, 1999;114:528-32 (Research Article)

Increasing access to dental care for Medicaid preschool children: the Access to Baby and Child Dentistry (ABCD) Program, 2000;115:448-59 (Research Article)

#### MEDICAL ERRORS

Congress doesn't act on public access to practitioner data, 1996;111:478-9 (News & Notes)

Reducing medical errors requires system changes, 2000;115:10 (News & Notes)  
 AHRQ offers patient fact sheet on medical errors, 2000;115:113 (News & Notes)

#### MEDICARE

Mammography and Pap smear use by older rural women, 1996;111:244-50 (Scientific Contribution)  
 Encouraging medical device innovation: reimbursement problems and new policies, 1996;111:468-70 (Public Health & The Law)  
 Medicare beneficiaries need new care options, better protection: IOM, 1997;112:1-2 (News & Notes)  
 The effect of Medicare reimbursement for screening mammography on utilization and payment, 1997;112:423-32 (Scientific Contribution)  
 The financial status of Medicare, 1998;113:110-17 (Feature Article)  
 New health options available under Medicare+Choice, 1998;113:384 (News & Notes)  
 HCFA establishes official website for Medicare information, 1998;113:385 (News & Notes)

#### MENINGITIS

Viral meningitis in child care center staff and parents: an outbreak of echovirus 30 infections, 1999;114:249-56 (Scientific Contribution)

#### MENTAL HEALTH

SAMHSA offers ways to help children after disasters, 1996;111:1-2 (News & Notes)  
 Finding the causal chains, 1996;111:138-9 (Commentary on children's emotional problems)  
 Physical comorbidity and medical care use in children with emotional problems, 1996;111:140-5 (Scientific Contribution)  
 Anxiety disorders lead mental ills in United States, 1996;111:293-4 (News & Notes)  
 Creation of the National Institute of Mental Health, 1996;111:378-81 (PHS Chronicles)  
 NIMH launches Anxiety Disorders Education Program, 1997;112:94-5 (News & Notes)  
 Needed: better managed mental health and substance abuse programs, 1997;112:95 (News & Notes)  
 US, Russia collaborate on post-traumatic stress, 1999;114:10 (News & Notes)  
 Hoarding of animals: an under-recognized public health problem in a difficult-to-study population, 1999;114:81-7 (Scientific Contribution)  
 Suicide and public health, 1999;114:198-9 (Surgeon General)  
 Survivors of torture, 1999;114:489 (Letter in response to Kennedy et al. 1999;114:469-77; see also reply, same page)  
 Providers, health plans clash over patient care, 1999;114:493 (News & Notes)  
 WHO's new mental health strategies, 2000;115:8 (News & Notes)  
 Executive summary: a report of the Surgeon General on mental health, 2000;115:89-101  
 Surgeon General releases Children's Mental Health Agenda, 2000;115:500 (News & Notes)  
 Lead, mental health, and social action: a view from the bridge, 2000;115:505-10 (Feature Article)

#### MERCURY

NIDR funds studies on health effects of dental fillings, 1997;112:181-2 (News & Notes)  
 Federal mine agency warns of mercury risk, 1998;113:8 (News & Notes)  
 Regulating mercury in miners' eating areas, 1998;113:179-81 (Public Health and the Law)  
 Eliminating mercury use in hospital laboratories: a step toward zero discharge, 1999;114:353-8 (Practice Article)

AAP and PHS urge reduction of mercury in vaccines, 1999;114:394 (News & Notes)  
 Methylmercury: a new look at the risks, 1999;114:396-13 (Feature Article)  
 Human exposures to inorganic mercury, 1999;114:400-1 (Sidebar to Mahaffey 1999)  
 Mercury: a regional problem requires collaborative efforts, 1999;114:414-15 (Sidebar to Mahaffey 1999)  
 A real plan of action on mercury, 1999;114:416-20 (Commentary)  
 Mercury risks: controversy or just uncertainty? 1999;114:512-15 (Viewpoint)  
 Mercury report released, 2000;115:305 (News & Notes)

#### MILITARY

Better records needed for Gulf veterans' health research, 1997;112:7-8 (News & Notes)  
 Mortality of participants in nuclear tests similar to other veterans, 1997;112:8-9 (News & Notes)  
 Comparing the smoking behavior of veterans and nonveterans, 1997;112:212-17 (Scientific Contribution)  
 The Defense Department responds, 1997;112:218 (Commentary)  
 Death rates of "atomic vets," 2000;115:8 (News & Notes)  
 Self-reported postwar injuries among Gulf War veterans, 2000;115:346-9 (Research Article)

#### MINE SAFETY AND HEALTH ADMINISTRATION (MSHA)

Abolishing black lung, 1997;112:90 (News & Notes)  
 Diesel emissions are a concern for miners and others, 1997;112:273 (News & Notes)  
 Federal mine agency warns of mercury risk, 1998;113:8 (News & Notes)  
 MSHA help for diesel equipment compliance, 1998;113:105 (News & Notes)  
 New mine health standards proposed, 1999;114:13 (News & Notes)

#### MORTALITY

WHO book analyzes cancer mortality of nuclear workers, 1996;111:188 (News & Notes)  
 TB deaths reach historic levels, 1996;111:292 (News & Notes)  
 World Health Organization (WHO) estimates of the morbidity and mortality of water-related diseases, worldwide, 1995, 1996;111:297 (Sidebar in News & Notes)  
 Trauma among American Indians in an urban country, 1996;111:321-7 (Scientific Contribution)  
 Mortality among infants with congenital malformations, New York State, 1983 to 1988, 1996;111:359-65 (Scientific Contribution)  
 Mortality of participants in nuclear tests similar to other veterans, 1997;112:8-9 (News & Notes)  
 Geographic differences in mortality of young children with sickle cell disease in the United States, 1997;112:52-8 (Scientific Contribution; see also correction 1997;112:89)  
 Alzheimer's disease: the evolution of a diagnosis, 1997;112:495-6 (Commentary)  
 Alzheimer's disease as a cause of death in the United States, 1997;112:497-505 (Scientific Contribution)  
 Chicago report profiles big city health, 1998;113:5 (News & Notes)  
 Using YPLL in health planning, 1998;113:55-61 (Scientific Contribution)  
 Poisoning mortality, 1985-1995, 1998;113:218-33 (Feature Article; see also letters and correction 1998;113:379-80)  
 Deadliness of declining drug abuse, 1998;113:234-5 (Commentary)  
 The effect of using "race of child" instead of "race of mother" on the black-white gap in infant mortality due to birth defects, 1998;113:263-7 (Scientific Contribution)  
 Mortality due to unintentional injuries in the

Netherlands, 1950-1995, 1998;113:427-39 (Scientific Contribution)  
 A community-wide infant mortality review: findings and implications, 1999;114:165-77 (Scientific Contribution)  
 Deafness and mortality: analyses of linked data from the National Health Interview Survey and National Death Index, 1999;114:330-6 (Research Article; see also letter 1999;114:393)  
 Reducing firearm injuries: the role of local public health departments, 1999;114:533-39 (Research Article; see also letters and responses 2000;115:108-10, 303, 406-7)  
 Death rates of "atomic vets," 2000;115:8 (News & Notes)  
 New cancer mortality atlas, 2000;115:9 (News & Notes)  
 Disparities in premature coronary heart disease mortality by region and urbanicity among black and white adults ages 35-64, 1985-1995, 2000;115:52-64 (Research Article)  
 Disparities in women's heart disease mortality, 2000;115:305 (News & Notes)  
 The case against the gun industry, 2000;115:410-18 (Viewpoint)

#### NATIONAL CENTER FOR HEALTH STATISTICS (NCHS)

NCHS Data Line, 1996;111:95-6, 179-81, 286-7, 382-3, 471-2, 558-9  
 Dr. Edward J. Sondik new NCHS director, 1996;111:289 (News & Notes)  
 Healthy People 2000: meshing national and local health objectives, 1996;111:518-20 (Commentary)  
 NCHS Data Line, 1997;112:87-8, 172-3, 251-2, 355-6, 443-4, 530-2  
 NCHS Dataline, 1998;113:90-91, 184-5, 283-4, 370-1, 475-6, 557-8  
 NCHS Dataline, 1999;114:94-5, 190-2, 281-2, 562  
 NCHS Dataline, 2000;115:87-8, 290-1, 386-7, 487-8, 576-8

#### NATIONAL INSTITUTE FOR OCCUPATIONAL SAFETY AND HEALTH (NIOSH)

National Occupational Health Research Agenda, 1996;111:99 (News & Notes)  
 Health workers at risk for workplace violence, 1996;111:477 (News & Notes)  
 NIOSH alerts construction, auto workers to disocyanates, 1996;111:478 (News & Notes)  
 NIOSH program to protect farm children, 1997;112:272-3 (News & Notes)  
 Warning! on rubber latex allergies, 1998;113:109 (News & Notes)  
 NIOSH sets research agenda for traumatic occupational injuries, 1999;114:7 (News & Notes)
